AGENDA

- Overview
- Proposed budget principles
- General fund forecast
- Preliminary service level enhancement requests
- Capital improvement program update and needs
- Requested direction
PROPOSED BUDGET PRINCIPLES

1. Promote the City’s long-term fiscal sustainability
2. Provide city services and infrastructure that contribute to quality of life in Menlo Park
3. Revenue sources and grant accounting (new)
   a) State the funds surplus/deficit balance to show annual results and use of fund balance
   b) Identify revenue sources for the initial year of all capital projects
   c) Document and enter “due-to” amounts in the general fund for all expenses awaiting grant fund reimbursement by increasing the assigned reserve balance
   d) Ensure a fund’s fiscal year-end balance estimate is positive (Identify transfer ins where appropriate, for instance budget book forecast Fund 251, 252, 253 etc. negative)
GENERAL FUND
REVENUE FORECAST (FY 2021-22)

- Forecasted at March YTD with reasonable assumptions
- Taxes are holding strong with reductions in Sales ($509K) and TOT ($1.9M) being offset by increases in Property
- Charges for Services March YTD is $5.8M
- Other Financing Sources excludes $1.5M use fund balance to forecast true annual surplus/(deficit)
GENERAL FUND EXPENSE FORECAST (FY 2021-22)

- Forecasted at March YTD with reasonable assumptions
- Salary & Wage fully loaded for April, May, June
- Fringe benefits assumes additional $1M pension payment consistent with adopted budget
- Services represent less or delayed spending, however three months could catch up
- Additional revenue forecasted ($1.3M) and expenses savings cover for additional Transfer Outs over adopted budget of approximately $7.2M
