Anticipated timeline and sequence for developing Menlo Park Community Campus programming elements

Library Commission - Parks and Recreation Commission

Joint study session
November 15, 2021
Background

+ Construction of the Menlo Park Community Campus (MPCC) project has begun
+ The new facility is scheduled to open in 2023
+ Designed to be a complex, multigenerational center that combines a wide range of programs and services under one roof
+ Because of this complexity and the associated workload, developing the facility’s various programming elements will require careful planning and sequencing over time.
A community effort with multiple stakeholders

+ Every Menlo Park resident is a stakeholder in the project’s success, especially neighborhood residents
+ City Council, MPCC Subcommittee (Nash, Taylor) and working group
+ Advisory bodies: Library Commission, Parks & Recreation Commission
+ Community groups, individuals, volunteers, external partners
Programming goals

- Fulfills the vision of a multigenerational community center that delivers high-quality services and programs that are inclusive for all Menlo Park residents
- Fosters a sense of belonging, safety, and welcome to all visitors, especially neighborhood residents
- Inspires creativity, community, learning, discovery, wellness and growth for people of all ages and walks of life
Programming goals – cont’d

+ Provides traditional programs of a branch library, recreation center, senior center, afterschool care, and swim center
+ Leverages the synergies of a combined multigenerational facility through innovative programs that benefit the community
+ Creates new, high-quality programs that previously were not available but are made possible by the new facility.
Study session focus

+ Review a draft timeline and sequence for developing the various elements of the programming plan over the next several months
+ Receive feedback from the Library Commission and Parks and Recreation Commission at the outset of the process
+ This study session is NOT focused on developing the programming elements themselves in detail
+ This study session is NOT focused on naming the new facility. The facility naming will be undertaken through a separate engagement process at the direction of the City Council.

Recommendation
Staff recommends that the Commission review this six month update on the reactivation of library services.

Policy Issues
As a duly appointed advisory body to the City Council, the Library Commission advises the City Council on matters related to the City’s libraries.

Background
In alignment with local health and safety regulations and the City’s reactivation plan, library facilities and services have been gradually reactivating from the reduced service levels caused by the COVID-19 pandemic and resulting budget reductions. At their April 19, 2021 meeting the Library Commission unanimously recommended a return to in-person indoor service at both library locations starting June 6, 2021. In the past six months the library has reached these milestones:
- June 6, 2021 – libraries reopened to indoor, in-person service at a reduced schedule
- November 1, 2021 – libraries added Monday to hours of operation
- November 11, 2021- libraries added in-person storytimes at branch and main library
- January 30, 2022 – planned resumption of Sunday hours

Analysis
Over the past six months, the library has achieved a gradual restoration of previous service levels. With the return of Sunday hours on January 30, the libraries will again be open seven days a week for a total of 56 hours at each location.

Effective January 30, 2022, the Menlo Park Library and Belle Haven Branch Library will be open to the public during the following hours:
- Mondays, Tuesdays, Wednesdays: Noon–8 p.m.
- Thursdays, Fridays, Saturdays, and Sundays: 10 a.m.–6 p.m.
- Holidays: closed

The outdoor library book return boxes will be open to accept returns of library materials twenty-four hours a day, but will be closed on holidays.

Other service restoration milestones include:
The restoration of Sunday allows the book drops to return to 24/7 availability.

In-person storytimes at the main and branch library have restarted. These are in addition to the regular storytimes that continue at the three City-run childcare facilities.

An improving City budget allowed for the onboarding of two librarian positions, two library assistant positions and two program assistant positions.

Friends of Menlo Park Library volunteers are collecting in-person book donations. A successful book sale was held in October 2021, and another is planned for the end of February 2022.

A robust slate of virtual programming continues, including regular “zoo storytimes” on Wednesday mornings, book and film discussion groups, lectures, cooking, gardening and crafting programs.

COVID safety protocols remain in place for staff, volunteers and members of the public, and follow all local, state and federal mandates.

**Public Notice**
Public notification was achieved by posting the agenda, with the agenda items being listed, at least 72 hours prior to the meeting.
